PRESS RELEASE

8TH MAY, 2024

DAY TWO OF VOTERS REGISTRATION EXERCISE- NETWORK CHALLENGES

The Commission wishes to inform all its stakeholders and the General Public that some challenges were experienced with the network this afternoon, affecting the Online mode of registration. The Commission has directed its District Officers to switch to the Offline mode of registration beginning tomorrow, the 9th of May, 2024.

The Commission apologizes for the delays experienced this afternoon.

The Commission assures its stakeholders that, should there be a backlog of voters at the end of the twenty-one (21) day process, the Registration Exercise will be extended beyond the 27th of May, 2024 deadline.
