## PRESS RELEASE

### **LOCKED-UP INVESTMENT HOLDERS FORUM RESUMES PICKETING THE MINISTRY OF FINANCE ON WEDNESDAY, 5<sup>TH</sup> JUNE 2024.**

1. Locked-up Investment Holders Forum is a forum for the protection of investments of persons who have invested in Finance Houses and Savings & Loans Companies licensed by the Bank of Ghana, and cannot access their investments.
2. We picketed the Ministry of Finance on Wednesday, 15<sup>th</sup> May 2024 to press home our demand for the Minister for Finance to make financial provision for the payment of depositors' funds with insolvent Finance Houses and Savings & Loans Companies to enable Bank of Ghana to revoke their licences and pay depositors.
3. We had informed the Police that we will be picketing the Ministry every Wednesday till the end of November 2024 if our request is not met, and therefore were to picket the Ministry tomorrow, Wednesday 22<sup>nd</sup> May 2024.
4. Following a call we received from Dr. Stephen Amoah, the Deputy Minister for Finance on 21<sup>st</sup> May 2024 to have a meeting with us after returning from a trip on 27<sup>th</sup> May 2024, to discuss our petition, we suspended our picketing for 22<sup>nd</sup> May 2024 and 29<sup>th</sup> May 2024.
5. Unfortunately the Ministry of Finance has not called us for the meeting the Deputy Minister promised to have with us.
6. Consequently, we will resume the picketing on Wednesday, 5<sup>th</sup> June 2024 and picket every Wednesday until we get a resolution to the payment of our locked-up funds.
6. We count on the press to support our cause.
